The background of the slide is a large, artistic illustration of a tunnel. The tunnel's interior is formed by a series of dark, curved structural ribs that create a strong sense of perspective, leading the eye towards the far end. At the exit of the tunnel, a bright, glowing sun or light source is visible, partially obscured by the silhouettes of several tall, modern skyscrapers. The overall color palette is dominated by warm, golden-yellow and orange tones, giving the image a hopeful and aspirational feel.
